

Registrations for the 6th World Forum on Energy Regulation is about to start.

The studies on developing the 6th World Forum on Energy Regulation Program have been conducted in accordance with Concept Paper, and along the directions of the Steering Committee.

Following the first Steering Committee (SC) and International Program Committee (IPC) meetings held in Istanbul in October 2013, a speaker nomination template was developed and sent to IPC members to nominate speakers for each session as identified. The 206 nominations were reviewed by the IPC through an active and collaborative work at 3 meetings, and accordingly 112 moderators and speakers were identified as to be invited.

WFER 6: "Bridging the World of Energy Regulation"

THE OPENING DATE OF 6TH WORLD FORUM ON ENERGY REGULATION
REGISTRATION IS ON **DECEMBER 1, 2015**

Accordingly official invitation letters were sent to the identified persons. The breakdown of accepted invitations indicates that almost two thirds of invitees are from regulators, followed by academia and national or international institutions such as IEA, EPRI or consultants, and industry. Thanks to effort for encouraging women participation, almost one third of moderators and speakers is woman.

The final situation of invitations, together with the activities conducted, were reviewed by the Steering Committee at its meeting held in Istanbul within the Forum venue on 31 October 2014, with the participation of ARIAE, CAMPUT, CEER, ERRA, MEDREG, NARUC, RERA and EMRA, under the chair of Mr. Mustafa Yilmaz, EMRA President and Forum Chairman, and accordingly identified new names for vacant slots and interchanged the places of some moderators and speakers.

Chairs of AEMC, AFUR, ARIAE, CAMPUT, CEER & ICER, ERRA, MEDREG, NARUC and RERA, Chair of World Energy Council, Secretary General of Energy Charter Secretariat, President of EPRI, President of ENTSO-E, and several others from industry and academia are amongst the moderators and speakers.

The Steering Committee also reviewed the activities carried out since its last meeting and level of preparedness for opening of registrations. Accordingly Secretariat decided to open registrations by 1 December 2014.

Early bird registrations will continue till 1 March 2015. The early bird registration fees will be € 700 for regulators and governmental agencies and € 850 for others, inclusive of VAT. Normal registration fees will be € 900 and € 1,100, inclusive of VAT, respectively.
