

***“Balancing Stakeholders’ Interests:
a trade-off or an alignment?
A power to exert or a service to deliver?”***

Plenary Session I: Balancing Stakeholders’ Interests

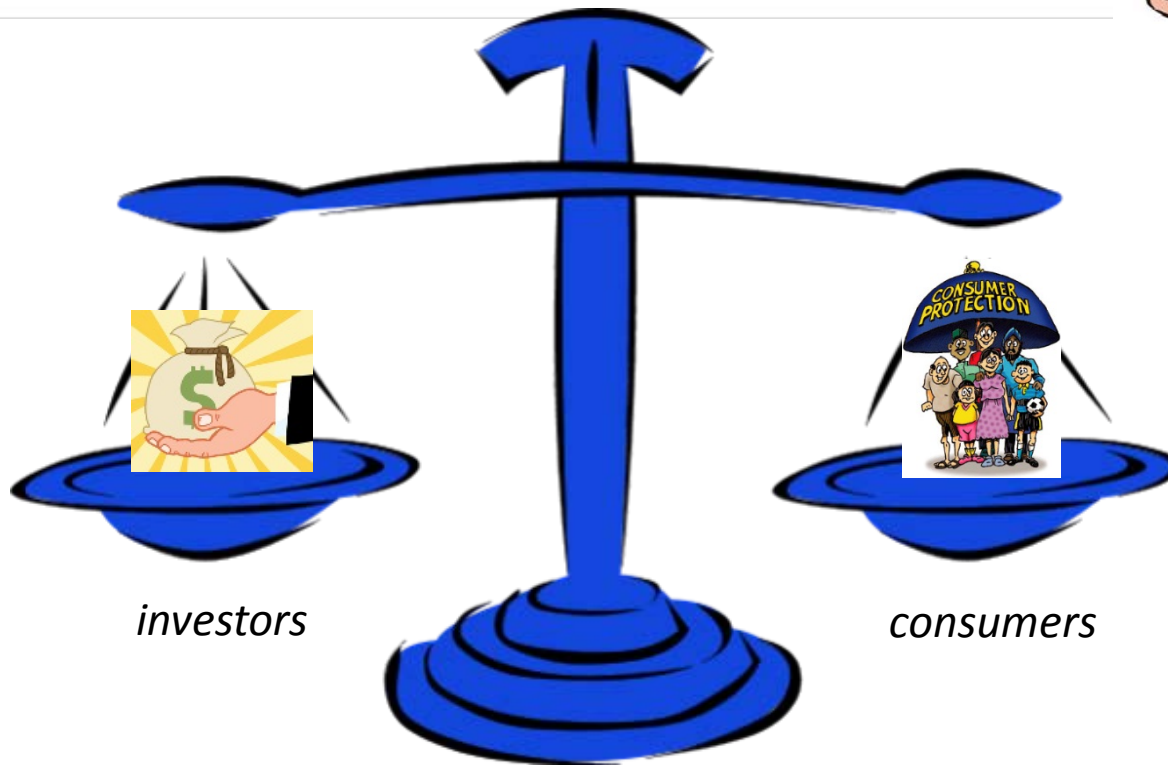

25 May 2015, Istanbul

Luigi Carbone

MEDREG VP & OECD/NER Chair & AEECSI Commissioner

Trade-off?

Balancing Stakeholders' Interests: the hard, dirty job of a Regulator...

A different perspective: NOT a trade-off, BUT an alignment

«regulating investments considering consumers as elements of the issue, not as constraints»

Project 1

Or

Project 2

A different perspective: NOT a trade-off, BUT an alignment

*«regulating consumer protection
considering investments as elements
of the issue, not as constraints»*

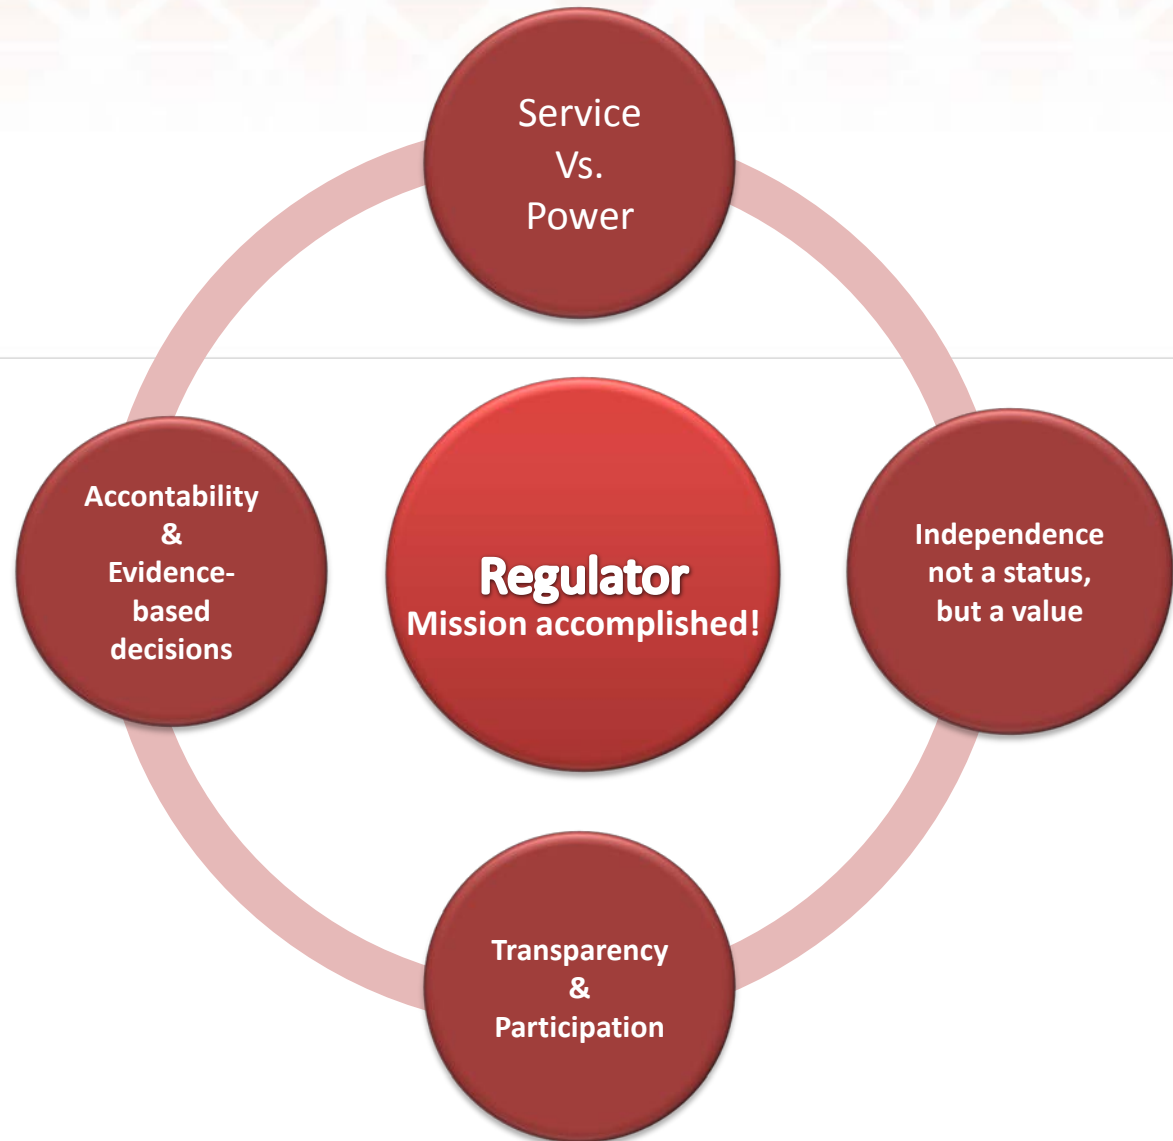

The role of Regulators in balancing stakeholders' interests?

How to accomplish this (im)possible mission ?
